Re: The Rolyn Sumlak Award

Please accept this as a "call" from the AUPE Occupational Health and Safety Standing Committee for nominations for the "*Rolyn Sumlak Award*" that shall be presented at the Awards Night to be held at the 2012 Convention.

The "*Rolyn Sumlak Award*" was commissioned by Local 012 in 1990, in recognition of Royln Sumlaks' untimely death on the job and activism in occupational health and safety.

The award is to be **presented to one member from each of our four sector (s**), who has demonstrated activism in occupational health and safety at the work site. **Of course this is dependant upon receiving nominations from each sector.**

We would request that the names of nominees be submitted from your Chapter Chairperson to your Local Chairperson along with a summary of achievements in work site health and safety. **Forward your nomination(s) no later that August 15, 2012 to Dennis Malayko 10451-170 Street NW, Edmonton T5P 4S7, fax 780-930-3392, or e-mail d.malayko@aupe.org.**

The Committee shall make a final selection and notify the Local Chairpersons, the first week of September 2012, with regards to the receipt and dispensation of their nominations.

Arrangements will be made to have the successful nominees receive the award at the 2012 Convention.

Do not hesitate to contact the writer if you require further information or clarification.
