

# HAVE YOU SIGNED YOUR AUPE GREY CARD?

If you haven't, it's as simple as it is important.  
You can do it online in two easy steps:

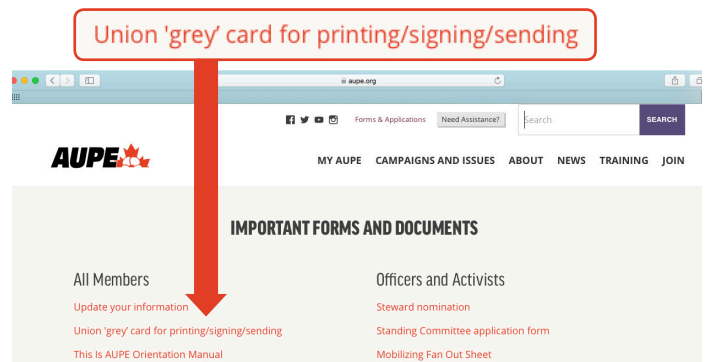

## STEP 1

Go to the very top of the AUPE website and click on the "Forms & Applications" link beside the search bar.

## STEP 2

On the new page under "All Members" click on the "union 'grey' card for printing/signing/sending" to open a printable version of the card.

**\* Make sure you fill out all fields, print and mail the completed grey card to:**  
AUPE Edmonton Headquarters  
10451 170 St NW  
Edmonton, AB T5P 4S7

### WHY IS IT SO IMPORTANT?

Your grey card is the union's most up-to-date record of your contact information. It's also an affirmation of your AUPE membership and a pledge of solidarity with your coworkers.

Governments around the world have been changing laws to bust unions and reduce their membership. Signing a grey card is your way of saying Yes you want to be a part of AUPE regardless of what changes a government may make.

### DON'T HAVE A COMPUTER?

If you can't access the grey card online, contact the member resource centre at 1-800-232-7284.
