NEGOTIATIONS CONTINUE

Your bargaining committee met with the government from Sept. 25 to 27 in Edmonton, which resulted in three more items being agreed to by both parties:

Sub 2 LOU # 2 RE: Program Advisory Committee – we were successful in adding one additional union representative to the committee to cover the newly created region (North Central).

Sub 6 Article #1 Probationary Periods – was amended to increase the probation period for the classification of medical and health four to 12 months. This change will only impact newly hired employees after the ratification of the agreement.

Sub 6 Article #3 Overtime – was not changed and was signed off with current language.

The parties are inching closer to dealing with the more substantive issues in the current round of bargaining. The employer indicated it will be prepared to move forward in responding to the union's proposals on job security, workload and classification in conjunction with monetary demands.

The next bargaining sessions are scheduled for Nov. 14, 15 and Nov. 21, 22, where your committee will continue the push to achieve a collective agreement that provides job security and protects the rights of our members.
