

did you know?

Your Union does all this?

- 1. Negotiates Your Agreement**
establishing working conditions, wages and benefits
- 2. Protects Your Rights**
through grievances and arbitration procedure and joint consultation committees
- 3. Regulates Health & Safety**
monitors worksites and investigates problems
- 4. Provides Education**
on union matters and other areas of interest to members
- 5. Communicates Regularly**
through Direct Impact and other publications
- 6. Provides Emergency Financial Help**
through the Member Benefits Fund
- 7. Assists With Negotiated Benefit Issues**
such as life insurance, long-term disability, health benefit plans and pensions
- 8. Plans Social Activities In Area Councils**
dances, curling bonspiels, barbecues and sports tournaments
