PREAMBLE

"From the outset the Catholic School declares its program and its determination to uphold it. It is a genuine community bent on imparting, over and above an academic education all the help it can to its members to adopt a Christian way of life. For the Catholic School, mutual respect means service to the person of Christ. Cooperation is between brothers and sisters in Christ. A policy of working for the common good is undertaken seriously as working for the building of the Kingdom of God."

"The cooperation required for the realization of this aim is a duty in conscience for all members of the community. Each has his or her own part to play. Cooperation of all, given in the spirit of the Gospel, is by its very nature a witness not only to Christ as the cornerstone of the community, but also as the light who shines far beyond it."

RE: HOURS OF WORK PILOT PROJECT

Forty (40) hour work- week based on six (6) calendar days operational schedule

The Parties agree that for the Employer to meet operational requirements and needs, the Employer wishes to implement a forty (40) hour work-week based on a six (6) calendar day operational / five (5) working days work schedule ("the Schedule") with two (2) options of five (5) consecutive calendar days, either Monday to Friday inclusive or Tuesday to Saturday inclusive.

The purpose of the Schedule would be to address Joint Use Agreements with the objective of reducing overtime costs and providing options for employees to enhance work/ life considerations while preserving equivalent collective agreement rights for employees scheduled on either of the two options.

In order to assess the actual impact of the Schedule, there will be an Hours of Work Pilot Project for the 2015 – 2016 school year only. The Pilot Project will be jointly evaluated in order to assess a number of matters including, but not limited to, the following:

- Does the Schedule effectively address the staffing and overtime costs associated with Joint Use Agreements?
- Does the Tuesday to Saturday Schedule option provide equivalent rights under the Collective Agreement and in particular, under Article 10 –Named Holidays?
- What, if any, Collective Agreement amendments or additions would be necessary to facilitate the objectives and preserve rights should the Parties agree to implement the Schedule during another pilot project or on a permanent basis?

Application of the Schedule

This Letter of Understanding shall only apply to the Custodial classification and custodial work schedules.

A shift differential premium of \$0.45/hour shall be applied to those wages earned on Saturdays worked by those employees on the Schedule.

The Employer shall consult with the Union to implement the Schedule in up to five (5) schools during the school year of 2015 - 2016.

The process for the selection of custodians for implementation in each school shall consist of the posting of new positions in accordance with the Appointments, Vacancies and Promotions Article. In the event the Employer is unable to fill each new position with employees that apply, the Employer may assign and transfer Employees for the length of the Pilot Project on the basis of least seniority. If the Parties do not negotiate an agreement to continue the Schedule after the Pilot Project ends, employees on the Tuesday to Saturday option shall return to a Monday to Friday work week with no loss.

This Letter of Understanding shall be in full force and effect only until June 30, 2016.
