RE: VOLUNTARY SEVERANCE

Purpose:

1. The parties agree that the primary purpose of the Voluntary Severance Program (the Program) is to recognize the contribution of Employees, to allow Employees to leave the system with dignity, to minimize disruption and ensure quality and continuity of services. Severance is one of many human resources management tools to assist with restructuring the organization.

Voluntary Severance Offering and Eligibility

2. The Program will be offered in accordance with the provisions of this Letter of Understanding, over a period of time beginning the date on which the parties exchange notice of ratification for this Collective Agreement and ending June 30, 2018.
3.
 - (a) Severance will be offered only as a result of organizational changes that result in the permanent reduction in the number of AUPE certified regular Employees.
 - (b) Employees on full layoff will not be eligible to apply for this program,
 - (c) The timing and extent of application periods and of the offering will be determined by the Employer.
 - (d) Employees are only eligible for severance where they are regularly employed in the same job classification in which permanent reductions are required.
4. The Program, when offered by the Employer, will be open to all eligible regular part-time and regular full-time Employees employed and working in a regular position as of the date of the Program offering.
5. An approved severance will be calculated as follows:
 - The equivalent of two (2) weeks regular salary for each full year of continuous service to a maximum payment of forty (40) weeks.
 - Regular salary = (regularly scheduled hours of work as at date of application for the program) x (basic rate of pay).
 - For the purpose of the Program, continuous service will be calculated from the last date of hire recognized with the Employee's current Employer.

Severance Approval

- 6. (a) The Employer shall have the right to accept or reject any application for severance based on operational requirements. Subject to operational requirements, if there are more Employees wishing to take severance than there are positions to be eliminated, severance shall be granted in order of seniority.
- (b) Severance will not be approved if termination of the Employee does not directly result in the permanent elimination of the regular Employee's full-time equivalency, or a comparable full-time equivalency.
- (c) The Employer reserves the right to determine the date of termination and, once approved, the decision to take severance and terminate employment is irrevocable.

Operation of the Program

- 7. Regular Employees whose applications for the program are approved will terminate their employment and have no right to recall under Article 32: Layoff and Recall.
 - (a) Employees whose application for severance are approved will not be eligible for rehire by the Employer or any employer or agency funded directly or indirectly by the Employer for the period of severance.
 - (b) The Employee may be considered for re-hire provided they repay the Employer from whom severance was received, the difference, if any, between the time they were unemployed and the length of time for which the severance was paid.
