This Agreement made the 24th of March, 2019

BETWEEN

The Governors of The University of Lethbridge,
a body corporate operating The University of Lethbridge
(hereinafter called the "Board").

OF THE FIRST PART

and

The Alberta Union of Provincial Employees
(hereinafter referred to as the "Union").

OF THE SECOND PART

and

WHEREAS, *The Public Service Employee Relations Act*, R.S.A 2000 P.43, (hereinafter called the "Act") applies to The University of Lethbridge (hereinafter called the "University") and the support staff of the University; and

WHEREAS, pursuant to the provisions of the said *Act* the Union has the right to negotiate on behalf of the Board's said Employees; except those excluded under the provisions of Clause 1.01 (f) of this Agreement and any group subsequently opting out under the provisions of the *Act*; and

WHEREAS, the parties are mutually desirous of entering into an Agreement as defined in said *Act* containing provisions with reference to rates of pay, hours of work and other terms or conditions of employment and providing a procedure for the consideration of grievances and the settlement of disputes.

NOW THEREFORE, THIS AGREEMENT WITNESSETH that in consideration of the premises the parties hereto mutually covenant and agree with each other as follows:

ARTICLE 1

Interpretation

1.01 In this Agreement, unless the context otherwise requires:

- (a) "Union" means The Alberta Union of Provincial Employees,
- (b) "Board" means The Governors of The University of Lethbridge,
- (c) "Local" means Local 53 of The Alberta Union of Provincial Employees,
- (d) "Chief Human Resources Officer" means the person appointed to the role of Chief Human Resources Officer at the University of Lethbridge
- (e) "Member" means an Employee of the University of Lethbridge who is included in the Collective Bargaining Agreement and who is a member of the Union,
- (f) "Employee" means all of the support staff of The University of Lethbridge except persons designated by the Board as employed in the following positions:
 - (i) Administrative and professional positions which are accorded management status.
 - (ii) Positions having major supervisory responsibilities.
 - (iii) Positions which are of a confidential nature with respect to labour relations.
 - (iv) Positions which are designated as student jobs.

A student job is one which would not normally be performed by a non-student employee. However, where students are employed in a classification covered by this Agreement, they shall be deemed to be employees under this Agreement.
 - (v) Positions in which incumbents are paid from funds which are held in trust by the University.
 - (vi) Positions in which persons are employed under special or cost shared programs subsidized in whole or in part by the Provincial and/ or Federal Government(s), provided they shall not replace bargaining unit employees and do not affect the employment security of existing Regular and Sessional Employees.

When the Board proposes to exclude a new or existing classification, or position within a classification from the Bargaining Unit under the terms of (i), (ii) or (iii) above, it shall advise the Union and the Local giving the reasons, in writing, for such exclusion before the exclusion is to take effect.

Should the Union object to the exclusion within ten (10) work days of receipt of the proposal, the exclusion shall not take place until settlement is reached pursuant to Article 12, Settlement of Grievances, commencing at Step 2.

(g) Employment Status

- (i) "Full-time Employees" are engaged to perform work on an established schedule based on the normal daily and weekly hours of work for their classification.
- (ii) "Part-time Employees" are engaged to perform work on an established schedule during only part of the normal work day, or on less than the full number of work days in each week, but not less than one-half (½) the applicable full-time hours per week. Where two (2) Employees are employed in a "job-share" position as part-time Employees, the schedule of hours of work may be adjusted in a fashion that will result in each Employee working the required "half the full scheduled number of hours per week" over a two (2) week period, provided each such Employee works a minimum of two (2) full-time days each week. Employees working on this schedule will receive their benefits prorata.

(h) Appointment Type

- (i) "Regular Employees" are engaged on either a full-time or part-time basis to perform duties, which are of a continuous nature of indefinite extent. Such Employees are hereinafter referred to as "Regular", "Regular Full-time Employees" or "Regular Part-time Employees".
- (ii) "Sessional Employees" are engaged on either a full-time or part-time basis for specified periods of employment of a recurring nature, approximately coinciding with the sessional periods established by the University Calendar. Such Employees are hereinafter referred to as "Sessional", "Sessional Full-time Employees" or "Sessional Part-time Employees".
- (iii) "Limited Term Employees" are engaged on either a Full-time or Part-time basis for a contractually limited period directly related to a defined project or for limited term funding. The minimum period is six (6) cumulative months and the maximum period is thirty-six (36) cumulative months.
 - (A) Limited Term positions may be "sessional in nature"
 - (B) The nature and duration of the terms and the periods of employment shall be specified in the Employee's letter of appointment, copies of which shall be sent to the Local.
 - (C) Should the appointment not conclude at thirty-six (36) cumulative months from the commencement date of the appointment, the Employee's status shall become Regular or Sessional as applicable.

- (D) Should the appointment conclude within thirty-six (36) cumulative months from the commencement date of the appointment, the Employee shall not be rehired to the same classification in the same department for the same project in a Limited Term appointment until at least one (1) year has passed.
- (E) Limited Term Appointments within the same classification in the same department for the same project may be extended in consultation with the Union, provided they do not exceed thirty-six (36) cumulative months in total.
- (iv) "Temporary Employees" are engaged on either a full-time or part-time basis to replace Employees who are absent.
- (v) "Casual Employees" are Employees who cannot be defined as Regular, Sessional, Temporary, Apprentice or Limited Term Employees. It is agreed that Casual Employees will not be employed to perform work that is known to be of a Regular, Sessional, or Limited Term nature. Therefore, the status of a Casual Employee, working either full-time or part-time, will be changed to that of a Regular, Sessional, or Limited Term Employee once the period of continuous employment exceeds six (6) months in the same job. Those Casual Employees, working either full-time or part-time on a continuous basis for more than four (4) months and who are terminated at or before six (6) months shall not be rehired to another Casual position within the same classification in the same Department for six (6) months following the date of termination. The six (6) month waiting period may be waived by mutual agreement between the Union and the Board.

The Appointment Type of a Casual Employee who in the course of recurring periods of employment no longer retains the employment attributes of a Casual Employee will be changed to that of a Regular, Sessional or Limited Term Employee.

- (vi) "Apprentices" are engaged on a full-time or part-time basis to perform work in a trade as an Apprentice under the *Apprenticeship and Industry Training Act* and in accordance with the University Apprenticeship Program.
- (i) "Employment year" begins with the date of employment and continues for one (1) full year thereafter unless the date of employment is changed by the operation of the terms of this Agreement.
- (j) "Work day" means any day on which an Employee is expected to be at their place of employment.
- (k) "Position" is the collection of specific duties and tasks normally assigned to an Employee.

The Parties agree that it is the Employer's right to determine the job that is to be performed, and that jobs may need to be altered from time to time in order to meet operational needs.

- 15.02 (a) The Board may alter and/or establish classifications as listed in Schedule "A" during the term of this agreement; however, in such an event the Board shall provide the Union and an affected Employee with a copy of the completed Position Classification Questionnaire (PCQ) and advise, in writing, of the Grade Level to which the Board proposed the classification be allocated.

LETTER OF UNDERSTANDING #6
between
The Board of Governors of the University of Lethbridge
and
The Alberta Union of Provincial Employees
Re: Joint Employer-Union Exclusions Review

Whereas the Parties have agreed to conduct a joint Employer-Union initiative to review the appropriateness of positions' exclusion from the scope of the bargaining unit;

The Parties agree as follows:

1. A joint Employer-Union committee will be established for the purposes of determining the appropriateness of positions' exclusion from the scope of the bargaining unit. The committee will be composed of up to three (3) representatives from each Party.
2. Within four (4) weeks of ratification of the Collective Agreement, the Employer will provide the committee a list of all currently encumbered non-bargaining unit positions, up to and including the Administrative Professional Officer Classification Level 2 (including those currently excluded in accordance with S.12(1)(f) of PSERA), and Exempt Support Staff for review.
3. Prior to commencing the review of positions, the committee will determine its terms of reference, including the criteria that will be used for determination of inclusion/exclusion from the bargaining unit, frequency of meetings, and process. This criteria will be based upon advice from representatives of the Parties on jurisprudence related to the managerial and confidential labour relations capacity exclusions within *Public Service Employee Relations Act* (PSERA).
4. The committee will discuss these non-bargaining unit positions, reviewing currently available position information, including but not limited to organizational charts and Position Classification Questionnaires. If further job information is required or needs to be updated, the Employer will seek such information and update the Position Classification Questionnaires for the identified positions for review by the committee. These reviews will be position-based, rather than incumbent-based.
5. The Parties acknowledge the length of time required for the review is dependent upon the number of positions included. The committee shall meet up to twice per month until all identified positions have been reviewed and a determination rendered.
6. For positions that are identified for inclusion in the bargaining unit, normal Employer classification processes will apply; however, individuals will be transitioned according to Clauses 12 - 13, below. The Employer will provide the Union the names of transitioned individuals once they move into the bargaining unit.
7. Positions outlined in S.12(1)(f) of PSERA that have been identified for inclusion in the bargaining unit, will not be transitioned until after the necessary PSERA amendments come into force.

8. For any positions that will be moving into the bargaining unit by agreement between the Parties, the twelve (12) month notice period identified in Clause 14 below will commence on the date of such agreement.
9. In the event that the committee is unable to reach a consensus with respect to the determination of exclusion/inclusion, the dispute will be submitted for determination to the Alberta Labour Relations Board (ALRB) for the streamlined process more fully described below (the "Streamlined ALRB Hearings"). Either Party may initiate the referral to the Streamlined ALRB Hearings at any time by forwarding a summary application to the ALRB.

Within fourteen (14) days from the date that such a dispute has been referred to the ALRB, the Employer will provide the Union the names of persons attached to positions in dispute.
10. The Streamlined ALRB Hearings will be chaired by a Chair or Vice-Chair of the Board, normally acting alone as determined by the Chair of the Board.
11. The Streamlined ALRB Hearing process will consist of:
 - (a) Evidence submitted to the Chair or Vice-Chair will consist of an organization chart, the Position Classification Questionnaire agreed to by the committee, and any Agreed Statement of Facts and other exhibits as agreed to by the Parties. In the event that the committee is unable to agree on a Position Classification Questionnaire or other evidence as noted above, the Parties may produce evidence in the form of an Affidavit from the incumbent or a representative of the Employer with direct knowledge of the Employee's duties and responsibilities.
 - (b) If the Chair or Vice-Chair determines that the submitted evidence is not sufficient, then they may, at their discretion, submit to the Parties a list of questions that they consider relevant to their determination. The Parties will answer such questions in writing, either jointly or separately. Either Party may, at their discretion, request that a hearing be held on expedited basis in order to examine or cross-examine the incumbent or a representative of the Employer with direct knowledge of the Employee's duties and responsibilities.
 - (c) A Letter Decision is to be provided by the ALRB.
12. After the twelve (12) month notice period in Clause 14, an Employee that is to be transitioned into the bargaining unit and assigned to an existing bargaining unit classification and salary range with a current salary:
 - (a) exceeding the maximum salary of the new salary range will be held over-range while the Employee is in the position.
 - (b) below the minimum salary of the new salary range will be moved to the minimum of the salary range of the assigned classification.
13. Where there is no appropriate existing classification for an Employee that is transitioned into the bargaining unit, the Employee will be maintained at their current salary until a new classification has been established.

14. Where there has been a determination by the committee review or ALRB that a person shall be included in the bargaining unit, the person shall be included in the bargaining unit twelve (12) months from the date of the determination. Any exceptions to the twelve (12) month notice period will be agreed by the Parties on a case by case basis.

Following this determination, the Employer will provide written notice to the Employee who will be moved into the bargaining unit. This written notice shall include contact information for the Union, suggesting that the Employee may connect with the Union or the Employer for support through any transitional matters related to moving into the bargaining unit.

15. The process established by this Letter of Understanding is the sole mechanism to resolve disputes related to the determination of inclusion/exclusion of positions/persons under the Joint Employer-Union Exclusions Review.
16. Subject to Clause 15, nothing in this Letter of Understanding amends, abrogates or otherwise modifies any part of Article 12 of the Collective Agreement. Further, any difference alleging a violation of an obligation in this Letter of Understanding may be filed as a Policy Grievance pursuant to Article 12.
17. This Letter of Understanding will remain in effect as provided in Article 53 of the Collective Agreement.
