LIFTING & HANDLING

You have the right to a safe workplace that eliminates or reduces your chances of injury due to heavy, large or awkward loads. Know your rights and responsibilities when it comes to lifting and handling procedures.

**Part 14 of the OHS Code - Lifting and Handling Loads:**
- 208 (1) An employer must provide, where reasonably practicable, appropriate equipment for lifting, lowering, pushing, pulling, carrying, handling or transporting heavy or awkward loads.
- 208 (2) An employer must ensure that workers use the equipment provided under subsection (1).
- 208 (3) Workers must use the equipment provided for lifting, lowering, pushing, pulling, carrying, handling or transporting heavy or awkward loads.
- 208 (4) For the purposes of this section, a heavy or awkward load includes equipment, goods, supplies, persons and animals.
- 210 (1) Before a worker manually lifts, lowers, pushes, pulls, carries, handles or transports a load that could injure the worker, an employer must perform a hazard assessment.
- 211 The employer must take prompt corrective action if a worker reports a work related musculoskeletal injury.

If you experience issues regarding lifting and handling of loads you should:
- Report your concerns to your employer.
- Notify your AUPE Membership Services Officer at 1-800-232-7284.
