NURSING CARE

IT'S ALMOST TIME TO NEGOTIATE: TAKE YOUR BARGAINING SURVEY!

AHS Nursing Care members are about to enter one of the most challenging rounds of bargaining we've ever seen.

Before bargaining begins, it is important for your negotiations team to hear your priorities and perspective on how to improve your collective agreement.

We will email AHS NC members a bargaining survey on Wednesday, January 22.

Make sure you receive the survey! Visit www.aupe.org/updateinfo to ensure your team has your up-to-date NON-WORK email address.

The survey closes on Thursday, January 30.

We are asking you to take this survey so you can help shape negotiations. This is your opportunity to use your voice and help your team represent you and your fellow workers.

As you know, the Government of Alberta and by extension Alberta Health Services has taken a very aggressive position in dealing with all public-sector workers. It has been relentless in its attacks on our work and on our rights.

Your negotiations team is dedicated to representing you at the bargaining table and keeping you informed throughout negotiations. Please contact a member of the team or your AUPE resource staff if you have any questions.
