

OUR 1% BY THE NUMBERS

An independent arbitrator has awarded a 1% wage raise to support workers employed by Alberta Health Services (AHS) and employees of the Government of Alberta for 2019. Here's a breakdown...by the numbers.

THIS BIG YELLOW CIRCLE represents average annual cost of UCP government's tax cut to already profitable corporations. In dollars that is:

\$1.175 BILLION

THIS LITTLE BLUE CIRCLE

represents the estimated cost of the 1% increase* awarded to General Support Services employees of Alberta Health Services (AHS) and employees of the Government of Alberta. In dollars that is:

\$35 MILLION

THIRTY-THREE & A HALF

The amount of times you could pay those workers 1% from one year's tax giveaway.

BUT DON'T FORGET

The cost of UCP corporate tax cuts over all four years it is on the books is:

\$4.7 BILLION

IT'S CLEARLY A CHOICE

Making Albertans pay for tax cuts to wealthy corporations is a **choice**.

***0%** The amount awarded to nursing care workers employed by AHS.

IT'S TIME TO CHOOSE ALBERTANS, NOT CORPORATIONS
