18.03 When a Term-Certain position is converted to a permanent position and the incumbent Term-Certain Employee has occupied the position for a period of twenty (20) accumulated months within a thirty-six (36) month period, provided there is no break in service in excess of four (4) months, the requirements of Clause 19.01 and Clause 19.06 shall be waived and the Employee shall automatically be appointed to the permanent position as either a Full-Time Permanent Employee or a Part-Time Permanent Employee.

ARTICLE 19: POSTINGS AND APPOINTMENTS

19.01 Subject to Clause 19.06, all vacant permanent and Term-Certain positions in the Union shall be posted for a period of at least five (5) working days, unless the College and the Union mutually agree to waive this requirement.

19.02 The Union Representative shall be copied on all Union postings as the positions are posted. The College will provide AUPE with electronic reports that include the same information as provided in letters of employment and Term-Certain or casual extensions on a monthly basis.

19.03 Should the College decide not to fill a posted position, the internal applicants shall be notified. The Union Representative shall be informed of the reasons, in writing, within ten (10) working days of the decision not to fill the position.

19.04 When an Employee is the successful applicant for a position at the same level in the Union, they shall be placed at a Step which gives them at least the same salary.

19.05 When an Employee is the successful applicant for a position at a higher level in the Union, the Employee shall be placed at a Step which gives the Employee at least a four percent (4%) salary increase in annual salary compared with their current salary inclusive of in-year step increases.

- 19.06 A Permanent Employee from within or outside the bargaining unit who applies for and is awarded a Term-Certain or Casual position shall maintain their permanent status and entitlements for benefits should eligibility criteria as provided in Article 39.03 continue to be met. Entitlements, including eligibility for professional development will be based upon their permanent position for the duration of the Term-Certain or Casual assignment. The Employee shall revert to their previous permanent position once the Term-Certain or Casual position ends.

ARTICLE 20: PROBATIONARY PERIOD

- 20.01 Subject to Clause 20.02, for the first nine (9) months an Employee at the College is on probation.
- 20.02 When an Employee is the successful applicant for a vacant position, the following conditions shall apply:
- (a) If the Employee has already successfully completed a probationary period at the College, they shall not be required to complete another probationary period in the new position. The exception shall be in the case of a Term-Certain Employee who has completed a probationary period and is moving to a different position that is permanent. In these cases, the individual shall serve a probationary period of four (4) months in the new permanent position. During this second probationary period, the Employee will have access to Professional Development funds as per Article 43.
 - (b) If the Employee has not yet completed a probationary period at the College, they shall be required to complete the remainder of their original probationary period in the new position.
- 20.03 Dialogue between the supervisor and the Employee shall take place throughout the probationary period and is intended to promote meaningful communication and identification of job related issues.
- Written evaluative feedback, based on job objectives established for the probationary period, shall be completed mid-probation and prior to the conclusion of the probationary period.
- An Employee who works a Term-Certain contract that runs less than nine (9) months and returns to the same position after a break of six (6) months or less, shall have time served under the previous contract(s) credited towards completion of the probationary period.
- 20.04 Probationary Employees shall receive written notification from their supervisor regarding their status on or before the final day of the probationary period.

Failure to notify the Employee on or before the final day of the probationary period shall constitute successful completion of the probationary period.

- 20.05 The College has the ability to discharge a probationary Employee if in the opinion of the College the Employee does not meet the requirements as outlined in the position description and performance expectations as documented. The decision to discharge a probationary Employee may not be arbitrary, capricious, discriminatory or in bad faith. Individuals discharged within their probationary period shall receive pay in lieu of notice in accordance with *the Employment Standards Code*. In this case, the Employee shall not have recourse to the grievance procedure.

ARTICLE 21: SENIORITY

21.01 Definition of Seniority

Seniority is defined as the length of service in the bargaining unit. Seniority shall operate on a bargaining unit-wide basis. Employees shall have their seniority effective from the original date of employment in the bargaining unit. Employees within the bargaining unit that are promoted to a position outside the bargaining unit and subsequently are recruited to a position within the bargaining unit, shall maintain their previous seniority. Seniority is not accumulated during periods of layoff.

21.02 Seniority List

The College shall maintain a seniority list showing the date upon which each Employee's service commenced. An up-to-date seniority list shall be sent to the Union semi-annually.

The Union shall have fifteen (15) working days from the date the list is received to challenge any differences. In the absence of a challenge, the seniority of an Employee as listed shall be deemed to be conclusive.

21.03 Effective Date of Seniority

After completion of the probationary period, seniority shall be effective from the original date of employment.

21.04 Loss of Seniority

An Employee shall not lose seniority rights if absent from work because of sickness, disability, accident, or leave of absence approved by the College. An Employee shall only lose seniority in the event:

- (a) An Employee is discharged for just cause and is not reinstated.

- (b) An Employee resigns in writing and does not withdraw such resignation within two (2) working days thereafter.
- (c) An Employee is absent from work in excess of five (5) working days without sufficient cause or without notifying the College.
- (d) An Employee is laid off for a period longer than one (1) year.
- (e) An Employee does not return to work when recalled.
- (f) An Employee fails to return to work upon expiration of leave of absence, except where the absence is deemed to be justifiable but in any case the Employee shall notify the Employer of the reason the Employee is unable to return to work within three (3) work days of the expiration of the leave of absence unless the specific circumstances involved prevent the Employee from doing so.
- (g) An Employee experiences a break in service of greater than four (4) months

21.05 Application of Seniority

Seniority shall be a factor used in determining preference or priority for transfers greater than 30 km from Red Deer, position abolishments, layoffs, and recall.

ARTICLE 22: SALARIES

- 22.01 Salaries shall be according to the salary grids attached as Appendix 'A'. Such salaries shall be applicable to the Employee positions defined in Appendix 'B'.
- 22.02 In the event the College is shut down and unable to function, Employees shall not lose any pay for a period of one (1) month. If the shutdown is for a longer period, the College shall give notice and severance as per Article 35.
- 22.03 Employees shall be paid twice each month, on the 10th and 25th day of the month via direct deposit to their bank account. Should the 10th or the 25th day fall on a Saturday, Sunday or general holiday as defined in Article 37, Employees shall be paid on the day immediately preceding the Saturday, Sunday or general holiday. The College will not issue manual pay cheques except in unusual circumstances.
- 22.04 An Employee shall advance to the next Step on the salary grid on their Anniversary date within the same classification level.

When an Employee's Anniversary date occurs while they are on a leave of absence without pay of greater than four (4) months, their anniversary date will be revised and a step increase will be granted upon completion of a full year of active service.

When an Employee is the successful candidate for a different position within the same classification level, the anniversary date will not be changed, provided they do not have a break in service in excess of four (4) months as outlined in Article 22.05.

When an Employee applies for a position in a higher classification level, or is reclassified to a higher classification level, the anniversary date will be changed to reflect the commencement date in the higher level position, and that will become the date of advancement to the next Step on the salary grid.

When an Employee would have been eligible for a step advancement within thirty (30) calendar days of the effective date of a promotion or reclassification to a higher level, the step placement that they would have received shall be applied in determining salary placement in the new classification level.

- 22.05 Within four (4) months of their previous employment in the Union, former Employees who have been rehired by the College, shall not suffer a reduction in pay upon return to a position at the same classification level as their previous position.

- (f) When an Employee qualifies for responsibility pay, the Employee shall receive premium pay equivalent to one step on the AUPE salary grid for the duration of the increased responsibility.

ARTICLE 24: HOURS OF WORK

- 24.01 Except as noted in Clause 24.02, the normal hours of work for Employees covered by this Collective Agreement shall be seven (7) hours per day and thirty-five (35) hours per week.
- 24.02 The normal hours of work for bargaining unit members at the Child Care Centre shall be seven and one-half (7½) hours per day and thirty-seven and one-half (37½) hours per week.
- 24.03 The normal work week for Employees shall consist of five (5) work days with two (2) consecutive days off. The two (2) consecutive days off shall normally be Saturday and Sunday.
- 24.04 An Employee's daily hours of work shall run consecutively except for an unpaid meal period of not less than thirty (30) minutes at approximately the midpoint of the work day.
- 24.05 Rest Breaks
 - (a) Each Employee working five (5) or more hours in a work day shall receive a total of at least thirty (30) minutes of paid rest break(s) per work day.

- 24.06 An Employee shall have not less than ten (10) hours off between work periods except in extenuating circumstances.

- 24.07 Each Employee shall be provided with a work schedule outlining their regular work day and regular work week. Such work schedule shall remain in effect until changed as per Clause 24.08.
- 24.08 Changes in Schedule
- (a) The College shall advise an Employee a minimum of fourteen (14) calendar days in advance of a change in their work schedule and the reasons for the change as they relate to the needs of the public and/or the efficient operation of the College. The change in work schedule shall become the regular daily and weekly work schedule.
 - (b) Clause 24.08(a) is not intended to:
 - (i) Apply to single or occasional instances,
 - (ii) Apply to cases of emergency, or
 - (iii) Reduce the Employee's eligibility for overtime.
- 24.09 Employees who, for personal reasons, request to work hours in excess of their regular work day, as agreed with their supervisor, shall receive compensation through an equal amount of time off with pay arranged with the supervisor.
- 24.10 The College and the Union agree that an Employee may voluntarily participate in a flexible work schedule arrangement pursuant to Article 25.

ARTICLE 25: FLEXIBLE WORK SCHEDULE

- 25.01 The College and the Union recognize operational requirements and/or Employee needs may be better served by establishing flexible work schedule arrangements. As a result, flexible work schedule arrangements may be negotiated on a case by case basis between the Employee, their supervisor, Human Resources and the Union. These arrangements are subject to Article 27: Shift Differential in this collective agreement.
- A copy of this agreement will be kept on the Employee's personnel file in Human Resources.
- 25.02 Under a flexible work schedule arrangement, an Employee can manage their work schedule as follows:
- Option 1: If the hours of work are regularly scheduled, they may exceed seven (7) hours per day, but shall not exceed thirty-five (35) hours per week. If they exceed thirty-five (35) hours per week, then the provisions of Article 26: Overtime apply.

This option does not require any additional tracking of the hours, only the letter of agreement specified in 25.01 above.

Option 2: If the hours of work are irregular, they shall be managed such that they may exceed seven (7) hours per day and thirty-five (35) hours per week, but shall not exceed the normal full time hours in two (2) consecutive pay periods. If they exceed the normal full time hours in two (2) consecutive pay periods then the provisions of Article 26: Overtime shall apply.

The option does allow for split shifts, however it does not allow for an Employee to exceed twelve (12) work hours per day or five (5) days in a work week.

This option does require daily tracking of the hours on the form provided in Appendix D that will be completed by the Employee and approved by the supervisor on a pay period basis.

25.03 A flexible work schedule arrangement can be terminated by either the Employee or their supervisor with a minimum of fourteen (14) calendar days' written notice.

25.04 All terms and conditions of this Collective Agreement shall be adjusted consistent with the flexible work schedule arrangements so as not to increase or decrease eligibility for the same.

25.05 A requirement to establish a flexible work schedule arrangement shall not be a condition of ongoing employment for permanent or Term-Certain positions in the Union if the members were hired into positions where flexible work schedule arrangements were not already in place.

25.06 An Employee shall not be disciplined for refusing to enter into a flexible work schedule arrangement pursuant to Article 25.

ARTICLE 26: OVERTIME

26.01 An Employee may be required to work hours or attend courses, seminars and conferences beyond their regularly scheduled work day, regularly scheduled work week, on a regularly scheduled day off or on a general holiday. Such hours shall be considered overtime.

Except for those Employees on a flexible work schedule, overtime will be payable for hours worked beyond seven (7) hours per day or thirty-five (35) hours per week. Overtime is calculated on hours exceeding either the daily or weekly maximum hours.

Overtime for bargaining unit members in the Child Care Centre shall be payable for hours worked beyond seven and one-half (7 ½) hours per day or thirty-seven and one-half (37 ½) hours per week. Overtime is calculated on hours exceeding either the daily or weekly maximum hours.

Overtime is calculated on hours exceeding either the daily or weekly maximum hours.
- 26.03 Overtime requires prior written authorization by the supervisor and the prior consent of the Employee. The supervisor shall not unreasonably deny authorization after the fact for overtime worked where such overtime has arisen as a result of unforeseeable circumstances in which it was not possible to obtain prior authorization. In such circumstances, the Employee will be required to demonstrate a reasonable attempt to obtain authorization.
- 26.04 Overtime shall normally be first offered to the Employee filling the position requiring the overtime, if such Employee is readily available.
- 26.05 Except in cases of extenuating circumstances, the maximum hours an Employee shall work in a day is twelve (12) hours.
- 26.06 An Employee who has been authorized to work overtime shall be compensated as follows:
- (a) For overtime hours worked on a regularly scheduled work day or on a regularly scheduled day off, the Employee shall be paid at one and one-half (1 ½X) times their regular hourly rate for each of the first two (2) hours worked in excess of their regular daily hours and at two times (2X) their regular hourly rate for each hour worked in excess of two (2) hours.
 - (b) An Employee may, by mutual agreement with their supervisor, be compensated with time off in lieu of payment for overtime worked pursuant to Clause 26.06(a). The time off in lieu shall be calculated at the applicable overtime rate.
 - (c) Time off in lieu shall be taken within six (6) months of the pay period in which the overtime occurred. If the Employee is unable to take the time off in lieu during this period, the Employee shall be paid out the overtime on the following pay period.

Overtime not taken in lieu by December 31st of each year will be paid out on the following pay period.

- (d) Overtime not authorized, documented and submitted to Payroll, whether for time in lieu or payout, for each six (6) month period ending December and June will be forfeited.

26.07 For overtime hours worked on a general holiday, as per Article 37:

- (a) A Permanent Employee shall be paid two (2) times their regular hourly rate plus receive an additional day off with pay at a time mutually agreeable between the Employee and the College. Such a day-off shall be taken within six (6) months of the overtime occurring.
- (b) A Term-Certain Employee shall be paid two (2) times their regular hourly rate.
- (c) Time off in lieu shall be taken within six (6) months of the pay period in which the overtime occurred. If the Employee is unable to take the time off in lieu during this period, the Employee shall be paid out the overtime on the following pay period.

- (3) Shift differential will be paid on all hours worked after 5:00 pm and prior to 7:00 am.

ARTICLE 28: STANDBY

28.01 "Standby" is defined as a period of time, outside of the Employee's regularly scheduled work hours, during which the College designates an Employee to be immediately available to return to work.

28.02 Except in cases of emergency, a schedule for standby duty shall be available to all Employees at least thirty (30) calendar days in advance of their being on standby. The standby schedule shall be determined by the Employee's supervisor.

- 28.03 When an Employee is on standby, the Employee shall be paid one (1) hour of pay at their regular hourly rate for every four (4) hours on standby, or portion thereof, on a day that is not a general holiday. For standby on a general holiday, the payment shall be one (1) hour's pay at their regular rate of pay for each four (4) hours on standby, or portion thereof, and the Employee shall be entitled to one additional day off with pay.
- 28.04 When an Employee, while on standby, is unable to report to work as required, no compensation shall be granted for the total standby period.
- 28.05 When an Employee is called back to work during the period in which the Employee was on standby, the Employee shall be compensated pursuant to Clause 28.03 for the hours the Employee was on standby and paid pursuant to Article 28 for the hours worked on call back.
- 28.06 Except in cases of emergency, an Employee shall not normally be required to standby on two (2) consecutive weekends or two (2) consecutive general holidays.

ARTICLE 29: CALL BACK

- 29.01 "Call Back" is defined as a period of time, outside of the Employee's regularly scheduled work hours, during which the Employee is recalled to their place of work for a specific work assignment.
- 29.02 In the event an Employee is called in to work as a result of a call back, the Employee shall be compensated at the applicable overtime rate pursuant to Article 26 for a minimum of three (3) hours or the actual hours worked, whichever is greater, including travel time.

ARTICLE 30: PERFORMANCE EVALUATION

- 30.01 The Parties recognize the desirability of a performance evaluation system designed to effectively use and develop the human resources of the Employer. The purpose of the performance evaluation is to provide a constructive review of the Employee's performance.
- 30.02 A formal written evaluation of each Full-Time permanent, Part-Time permanent, and Term-Certain Employee shall occur annually.
- (a) The written evaluation shall be completed by the Employee's supervisor.
 - (b) The written evaluation shall be based upon the following criteria:

- (i) Duties, and responsibilities described in the Employee's position description, and
 - (ii) Any duties or responsibilities temporarily assigned in addition to those in the Employee's position description.
- 30.03 The written evaluation shall be discussed with the Employee in a meeting with their supervisor. At the meeting, the Employee shall be given a copy of their performance evaluation document. The document shall be signed by the Employee and their supervisor for the sole purpose of indicating that they have met and discussed the content of the evaluation.
- 30.04 The Employee shall have five (5) days from the date of the evaluation meeting to provide written comments relating to their performance evaluation.
- 30.05 (a) The original written evaluation form, with signatures as described in Clause 30.03 and written comments as described in Clause 30.04, shall be forwarded to Human Resources for inclusion in the Employee's personnel file.

ARTICLE 31: DISCIPLINARY PROCEDURE

- 31.01 The College and the Union recognize the principle of progressive discipline, the goal of which is to provide an opportunity to remedy the situation.
- 31.02 No Employee shall be disciplined except for just cause.
- 31.03 All disciplinary action shall commence within ten (10) working days of the date the Employee's out-of-scope supervisor became aware of the Employee's involvement in the incident giving rise to the disciplinary action. The ten (10) working day time limit may be extended by mutual agreement between the College and the Union.

Normally, an out-of-scope supervisor will deal with the first occurrence of non-performance or misconduct by issuing a Verbal Reprimand, and then will deal with recurrences of the same or similar misconduct by following the sequence of increasingly serious disciplinary actions outlined below. However, an out-of-scope supervisor, in consultation with Human Resources, may depart from this sequence by invoking more serious levels of discipline for the first occurrence (or for recurrence) of non-performance or misconduct if the out-of-scope supervisor determines that the severity of the non-performance or misconduct warrants such action.

31.04

(a) Step 1: Verbal Reprimand

An Employee who receives a verbal reprimand shall be provided with the reason(s) for the reprimand. The verbal reprimand will be delivered in a private meeting with the Employee.

The Employee is entitled to have a Union Representative/Union Steward present during this discussion and the College shall make the Employee aware of this entitlement prior to the meeting. Should the Employee choose to have a Union representative present, the Employee shall be given sufficient opportunity to obtain and consult with the representative prior to any discussion taking place.

(b) Step 2: Written Reprimand

A written reprimand shall be addressed to the Employee and state the reasons(s) for the reprimand.

The written reprimand shall, whenever possible, be delivered in a private meeting with the Employee or provided to the Employee at the worksite or another mutually acceptable way.

The Employee is entitled to have a Union Representative/Union Steward present during this meeting and the College shall make the Employee aware of the entitlement prior to the meeting.

Should the Employee choose to have a Union representative present, the Employee shall be given sufficient opportunity to obtain and consult with the representative prior to any meeting taking place.

(c) Step 3: Suspension With Pay Pending Investigation

An out-of-scope supervisor may meet with an Employee to issue a Notice of Suspension with Pay Pending Investigation if:

- the out-of-scope supervisor determines that student, staff or faculty safety calls for immediate removal of the Employee from the College campus, or
- the out-of-scope supervisor determines that a serious instance of misconduct may have occurred and that the best interests of the College call for the immediate absence of the Employee from campus and from all College-related responsibilities, or
- in instances of alleged theft, fraud, physical abuse, substance abuse, or an incident of equal gravity.

The suspension will begin on the day the Employee is given the Notice of Suspension with Pay Pending Investigation and will last for a period of up to thirty (30) calendar days.

The notice of suspension with pay will identify:

- the Employee's right to Union representation at subsequent investigative and/or outcome meetings.
- the reasons for the suspension and the evidence or allegations on which they are based, and
- the duration of the suspension, and
- the course of action that the out-of-scope supervisor will be pursuing within the next thirty (30) calendar days in order to determine the outcome of the suspension, and
- any conditions of the suspension e.g. restricted access to email.

Before or at the expiration of the thirty (30) day suspension, the out-of-scope supervisor will:

- inform the Employee in writing that the suspension is lifted and no further disciplinary action pertaining to the incident will follow, or
- issue a Written Reprimand, or
- issue a Notice of Suspension Without Pay or
- issue a Notice of Termination, or
- extend the suspension with pay where such extension contains a statement indicating what further action or investigation needs to be completed before the out-of-scope supervisor can engage in one of the above three (3) resolutions of the suspension.

During the Suspension with Pay Pending Investigation, the Employee will not engage in College-related responsibilities and the Employee shall not be present on campus without prior approval from the Head of Campus Security.

(d) Step 4: Suspension Without Pay

An Employee who is placed on Suspension Without Pay shall be advised in writing of the reasons for being placed on suspension, the effective date of the suspension, and the length of the suspension period. The written suspension without pay will be delivered in a private meeting with the Employee.

The Employee is entitled to have a Union Representative/Union Steward present during this meeting and the College shall make the Employee aware of the entitlement prior to the meeting.

Should the Employee choose to have a Union Representative/Union Steward present, the Employee shall be given sufficient opportunity to obtain and consult with the Union Representative/Union Steward prior to any meeting taking place.

During the suspension without pay, the Employee will not engage in College-related responsibilities and the Employee shall not be present on campus without receiving prior approval from the Head of Campus Security.

(e) Step 5: Termination For Cause

An Employee who is terminated for cause shall be given written notice of the reason(s) for the termination.

The written notice of termination shall be addressed to the Employee and shall be presented, whenever possible, in a private meeting with the Employee or shall be couriered to the Employee within one (1) working day of the effective date of the termination.

The Employee is entitled to have a Union Representative/Union Steward present during this meeting and the College shall make the Employee aware of the entitlement prior to the meeting.

Should the Employee choose to have Union representation present, the Employee shall be given sufficient opportunity to obtain and consult with the representative prior to any meeting taking place.

31.05 At each step prior to Step 5 of the disciplinary procedure the College shall provide the Employee with a reasonable opportunity to remedy the situation giving rise to the disciplinary action prior to moving to the next step in the procedure.

31.06 Copies of all documentation of disciplinary Steps two (2) through five (5) as per Clause 31.04 shall be:

- (a) Forwarded to the Union Representative using the same timelines as outlined in the disciplinary procedure, and
 - (b) Forwarded to Human Resources for inclusion in the Employee's personnel file.
- 31.07 Failure to provide documentation of disciplinary action within the prescribed time limits and procedures shall be deemed to indicate abandonment of disciplinary action. Any change to the terms and conditions of employment resulting from disciplinary action shall be rescinded and declared null and void. Any loss of regular earnings by the Employee shall be paid retroactively to the Employee.
- 31.08 The time limits fixed in Article 31 may be extended by mutual agreement between the College and the Union Representative.
- 31.09 In the cases of discipline and termination, the burden of proof of just cause shall rest with the College.
- 31.10 If the College and the Union mutually agree an Employee has been unjustly suspended or terminated, the Employee shall be:
 - (a) reinstated to their former position, without loss of seniority, salary or benefits, and otherwise made whole, or
 - (b) appointed without loss of seniority, salary or benefits to a comparable vacant position for which the Employee meets the qualifications, or
 - (c) compensated in such a manner as is judged equitable in the opinion of the College and the Union or an Arbitrator or Arbitration Board, if the matter is referred to an Arbitrator or Arbitration Board.
 - (d) Any information pertaining to the matter will be purged from the Employee's personnel file provided no discipline of a similar nature has occurred during this period.
- 31.11 If an Arbitrator or Arbitration Board determines that an Employee has been terminated or otherwise disciplined for just cause, the Arbitrator or Arbitration Board may substitute some other penalty for the termination or discipline, and award such remedies as are considered just and reasonable in all the circumstances.

ARTICLE 32: GRIEVANCE PROCEDURE

- 32.01 A grievance is a dispute or misunderstanding between one or more Employees, or the Union acting on its own behalf or on behalf of the Employee(s), and the College regarding the interpretation, application, operation, contravention or alleged contravention of this Collective Agreement as well as any complaint alleging unjust treatment, unfair working conditions or unjust disciplinary action. All such grievances shall be dealt with through the Grievance Procedure.
- 32.02 For the purposes of Article 32, Employee means a current Employee of the College or a former Employee of the College terminated as per Article 34 or Article 31. In the case of a former Employee, the former Employee shall have access to the Grievance Procedure commencing at Step 3 (Clause 32.04(c)) for a period of five (5) working days following receipt of the written notice of termination.
- 32.03 An Employee complaint alleging harassment or discrimination may be presented commencing at Step 2 (Clause 32.04(b)) of the Grievance Procedure.
- 32.04 When an Employee grievance arises, it shall be settled in the following manner:
- (a) Step 1: Within fourteen (14) calendar days from the date of the incident or knowledge of the incident, the Employee(s) concerned shall first seek to settle the grievance in discussion with their out-of-scope supervisor. The Employee(s) concerned shall be entitled to have a Union Representative present during these discussions.

38.07 The College encourages each Employee to use their entire vacation entitlement. In extenuating circumstances and upon written request to and approval from the Employer prior to the end of the fiscal year, a maximum of ten (10) days of vacation leave may be carried over from one vacation year to the next. Carryover days should be managed within the following fiscal year. BETWEEN

AND

ALBERTA UNION OF PROVINCIAL EMPLOYEES LOCAL 071 CHAPTER 014

LETTER OF UNDERSTANDING 07

**Re: Contracting of Services for Sign
Language Interpreter**

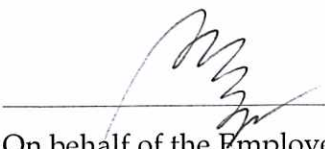

It is understood and agreed between the parties on a without precedent, without prejudice basis that:

The College has historically been and continues to be unsuccessful in finding suitable qualified candidates to fill Term-Certain positions as Sign Language Interpreters. The College has an obligation to accommodate students with disabilities, which may include providing support through a Sign Language Interpreter.

The parties agree that the College will take the following steps to ensure the work of the Sign Language Interpreter is completed:

1. The College will continue to post Sign Language Interpreter employment opportunities on the Red Deer College Employment page and will hire Sign Language Interpreters as Employees within the AUPE bargaining unit in circumstances where they are successful in attracting qualified candidates.
2. When the College is unable to hire a Sign Language Interpreter or enough Sign Language Interpreters through the process described in bullet 1 above, the College will contract the services of a Sign Language Interpreter through an agency. The contracted Sign Language Interpreter will provide interpreting services to the student for the period of time required to meet the student's needs. This would normally occur during the period from August 1st to June 30th.

This Letter of Understanding shall be in effect until June 30, 2020.
