BARGAINING RESCHEDULED, MONETARY PROPOSALS SUBMITTED

Thank you to all members who took our bargaining survey over the summer. Your responses helped us develop proposals that reflect what matters most to you.

Bargaining was scheduled to resume on September 15 and 16. However, both sides agreed to reschedule to later dates so that we could have more time to prepare for bargaining.

However, that did not stop us from tabling our revised monetary package. Our monetary proposals are based on your survey results, and we're confident our offer is fair and reflects your needs and priorities.

We will let you know when new bargaining dates have been confirmed.

If you have any specific questions about our bargaining proposals, please reach out to your Negotiating Team members for more information.
