The Parties shall commence negotiations to reach agreement on the general wage increase payable in Year 3 (January 1, 2020 to December 31, 2020) of the Collective Agreement on or before November 15, 2019.

The Parties agree that the only item open for negotiations shall be the general wage increase in the Salary Appendix "A". This re-opener shall not be construed in any way as "opening the agreement" for negotiation on any other issues by either side.

If the Parties have not been able to agree upon the general wage adjustment, at any time after January 31, 2020, either Party may give written notice to the other Party of its desire to submit resolution of the general wage adjustment to interest arbitration before a three-member panel comprised of a nominee of both parties and a chair chosen by the Parties from among the following arbitrators: David Philip Jones, Andrew C. L. Sims, Phyllis A. Smith or Lyle Kanee, or any other mutually agreeable arbitrator.

If the Parties are unable to agree upon the chair, the Director of Mediation Services shall choose the chair from among the arbitrators named above.

The arbitration hearing shall be held by no later April 30, 2020. In reaching its decision, the arbitration panel shall consider the matters identified in section 38 of the *Public Service Employee Relations Act*.

2. An Employee who has been "red circled" shall receive any negotiated increase as a lump sum payment, equal to the negotiated amount as a percentage of the employee's annual salary payable twice a year on the payday following July 1st, and December 15th, of the relevant years. Lump Sums are payable on paid hours in the previous six months. Red-circled Employees who leave the employ of the employer shall have the Lump Sum prorated.
3. An Employee's progression within the salary range for the Employee's Salary Classification shall be based on the following conditions:
 - (a) Employees will be eligible for an in-range pay adjustment on January 1 of each year.

Casual Employees will be eligible for an in-range pay adjustment during the January that follows each accumulation of 1885 hours worked. An in-range pay adjustment resulting from this review will be effective on January 1.

- (c) Employees must have satisfactory performance to qualify for an in-range pay adjustment. If an Employee's performance is not satisfactory at the time of the January review, the date of the Employee's in-range pay adjustment will be delayed until satisfactory performance is achieved.
- (d) Work experience is one of the factors that qualifies an Employee for an in-range pay adjustment. Therefore, if a Permanent or Term Employee is absent for an accumulated period of time equalling one hundred and thirty (130) work days or more in any continuous twelve (12) month period due to leaves of absence, including maternity, parental or adoption leave, Personal Leave days, General Illness or WCB, the Employee's salary review following their return to work will be postponed.

If the one hundred and thirty (130) work days of absence in a continuous twelve (12) month period occurs within a single calendar year, the Employee's review will be delayed by one (1) year to the subsequent January review. If the one hundred and thirty (130) work days of absence in a continuous twelve (12) month period occurs over two (2) calendar years, the Employee's review will be delayed by one (1) year to the subsequent January review, based on the calendar year in which the majority of the absence occurs.

The one hundred and thirty (130) work days will be appropriately prorated for a part-time Employee.

- 4. Conversion of annual salary rates to hourly rates will be determined by dividing annual salaries by 1892 hours. Daily rates will be determined by dividing annual salaries by 261 days.

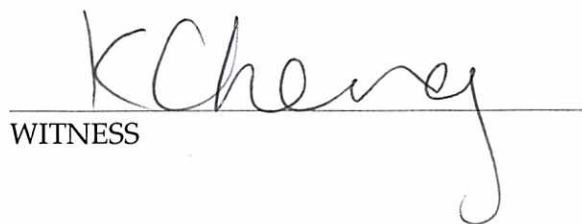

IN WITNESS WHEREOF, the Parties have executed this Collective Agreement by affixing hereto the signatures of their proper officers in that behalf.

APS Employee Referral Ambassador Program

Finding and keeping great people is a significant challenge in today's workplace and Alberta Pensions Services Corporation is no different. The Corporation reinforces a positive workplace culture and we can look to our own employees as recruiters in the role of attracting new employees to our talent pool.

To recognize and reward employees for taking an active hand in making job seekers aware of the benefits and opportunities related to employment at APS we offer the following incentive:

- When a permanent and/or temporary employee recommends a qualified candidate for a suitable competition and the referral is hired as a permanent and/or temporary employee, a referral payment will be paid, in two installments for a total award of \$500.00. The referred candidate must be external.
- The first installment will be paid at the time of hire in the amount of \$100.00.
- The second installment, in the amount of \$400.00, will be paid after the new employee has successfully completed their six (6) month probationary period.
- Award payments will be included in the employee's regular pay cheque and will be subject to all applicable withholdings.

The referring employee must:

- Be employed at the time of the referral and at the time of the award payments.
- Approach the Human Resources Generalist responsible for the posting, in person or via email, prior to the referred candidate applying for an open position. Additionally, the name of the referring employee must be clearly indicated on the front page of the referred candidate's employment application.

Employees not eligible to participate are:

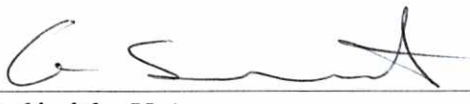

- Human Resource staff involved in the staffing process.
- Supervisors or Managers involved in recruiting or hiring an employee who will report either directly or indirectly to them.
- Any individual in the chain of command and/or having authority over the hiring decision.
- Executive Committee members.

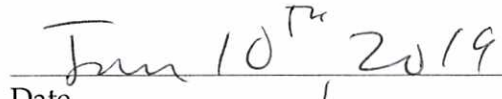

In the event the same candidate is referred by more than one employee, the person who approaches the Human Resources Generalist first will receive credit for the referral.

Awards will not be made for re-hires.

Compressed or Flexible Hours of Work

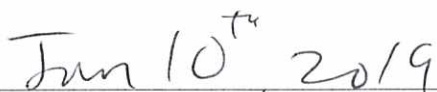

1. This Letter of Understanding sets forth terms and conditions of employment to be observed where the Employer utilizes any form of compressed or flexible system of normal hours of work.
2. The Parties agree that Employees and the Employer may examine the feasibility of entering into a compressed or flexible work week system. Provided that services are not adversely affected and there are no operational difficulties, the Employer may implement a flextime or compressed work week system of hours of work, but participation by an Employee in such systems shall be voluntary. The Employer reserves the right to give final approval regarding any Employee's participation in either flextime or a compressed system of hours of work.
3. The Employer has the sole right to determine the number of Employees who are required to be at work. However, upon entering into a flextime system, the Employees are entitled to have the first opportunity to plan their work schedule, within the flextime system, whereby they may arrange their starting times, lunch periods and finishing times on a daily basis, in keeping with the Employer's operational requirements.
4. An Employee participating in a flextime system of hours of work will be allowed a ten (10) hour carry over, either in the way of a bank or a deficit, and regular monthly salary shall be paid provided the Employee's time is within these limits and the variance is approved by the Employer. An Employee may not accumulate a bank in excess of ten (10) hours, and if at the end of any month his deficit is more than ten (10) hours, he shall be deducted for those hours that are in excess of ten (10) hours. Hours shall not be banked unless the Employee has actually worked more than normal hours of work.
5. The banked hours may be taken, as time off with pay. Employee preference in this regard shall be honoured where operational requirements permit.
6. Authorized overtime hours worked outside of flex or core times may not be used to cover off deficits pursuant to Section (4) above.
7. In the event the flextime or compressed work week system of hours of work does not result in the provision of a satisfactory service, or is deemed by the Employer to be impractical for other reasons, the Employer may require a return to normal hours of work in which case Employees shall be provided advance notice of two (2) weeks.
8. An Employee who is working according to a flexible or compressed work week system may opt for normal hours of work by providing the Employer advance notice of two (2) weeks.

9. Employees working according to a compressed work week system of hours of work will have benefits and entitlements which are expressed in terms of daily or weekly entitlements, converted to produce the equivalent hours of benefits and entitlements as they would have had if the work week had not been compressed. This will result in no loss or gain in Employee benefits and entitlements.
10. Casual employees are excluded from compressed and flexible work arrangements.
11. Where applicable these provisions shall have force and effect in lieu of Articles 12 and 13 of this Collective Agreement.
12. During the life of the Collective Agreement, the Union or the Employer can give notice to withdraw from the Letter of Understanding with three (3) months written notice.
13. This Letter of Understanding is subject to review when the Collective Agreement is due for negotiation.

Continued Operation of the Pension Services Progression Series

The Employer will continue operation of the Pension Services Progression Series. The position of Member Services Representative I will be the entry level posted position for the purposes of the Pension Services Progression Series. Advancement through the Member Services Representative II and Pension Specialist levels will then be based on progression criteria established for the Pension Services Progression Series. Member Services Representative II and Pension Specialist positions will not be posted but will be filled through this progression. Should the Employer require more employees in either the Member Services Representative II or Pension Specialist positions, an external posting may be made provided there are no internal candidates within the Pension Services Progression Series qualified to assume the role.

While the Pension Services Progression Series will be continued as set out above, the administrative conditions of the program and criteria for progression shall continue to operate by policy outside the scope of this Agreement. The policy may be amended from time-to-time and shall not form part of the Collective Agreement and will not be considered as incorporated by reference.

In 2018 the Employer engaged in a classification review of all positions at Alberta Pensions Services. At the conclusion of the 2018 classification review the parties agree to meet and discuss the need for continuation of the Pension Services Progression Series.

Exclusions/ Inclusions

Whereas the Parties have agreed to conduct a joint Employer - Union initiative to review the appropriateness of positions' exclusion from the scope of the bargaining unit;

The parties agree as follows:

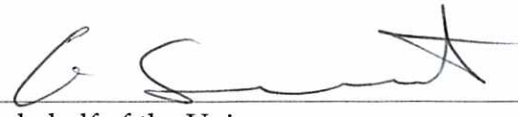

1. A joint Employer-Union committee will be established for the purposes of determining the appropriateness of positions' exclusion from the scope of the bargaining unit. The committee will be composed of up to three representatives from each party.
2. Within six (6) weeks of ratification of the Collective Agreement, the Employer representatives will provide the committee a list of all currently encumbered non-bargaining unit positions, up to and including the Manager Level, for review. Upon completion of the review of encumbered non-bargaining unit positions, the Employer representative will provide the committee a list of all currently unencumbered non-bargaining unit positions up to and including the Manager Level, for review. Should the Employer choose to fill an unencumbered non-bargaining unit position during the encumbered position review it will be added to the encumbered position list. These lists will establish the full scope of the review.
3. The committee will meet within ninety (90) working days of ratification and set their terms of reference for the review, including the criteria that will be used for determination of inclusion/exclusion from the bargaining unit. This criterion will be based upon advice from representatives of the Parties on jurisprudence related to the managerial, confidential labour relations capacity and other exclusions within Public Service Employee Relations Act (PSERA). The terms of reference will also include, but not limited to, quorum for the meetings, frequency of meetings, the approach to and process of the review.
4. The committee will discuss these non-bargaining unit positions, reviewing currently available position information, including but not limited to organizational charts and job descriptions or profiles. If further job information is required or needs to be updated, the Employer will seek such information and update the job descriptions or profiles for the identified positions for review by the committee. If the preceding job information is insufficient to assess the position, the Employer will provide the name of the incumbent and where the committee deems it appropriate, will arrange a presentation of the job duties. These reviews will be position-based, rather than incumbent-based.

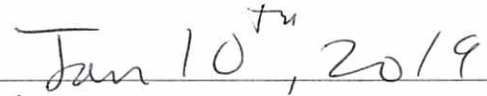

5. Positions that are agreed to by the committee as not meeting the managerial, confidential labour relations capacity and other reasons for exclusion will be flagged for inclusion in the bargaining unit. Normal Employer classification processes will apply; however, individuals will be transitioned according to Clauses 9 - 10, below. The Employer will provide the Union the names of individuals to be transitioned one week from the date they are flagged for inclusion.
6. For any positions that will be moving into the bargaining unit by agreement between the Parties or determination by an Arbitrator, the six (6) month notice period identified in Clause 9 below will commence on the date of such agreement.
7. In the event that the Committee is unable to reach a consensus with respect to the determination of the exclusion/ inclusion of any specific position, the dispute will be submitted for determination to Arbitration.
8. The Arbitration will be chaired by a sole Arbitrator and the Parties agree that the Arbitrator will be mutually agreed to by the Parties. Where there is no agreement between the Parties, pending reasonable availability, the Director of Mediation Services shall select an Arbitrator.
9. After the six (6) month notice period in Clause 6, an Employee that is to be transitioned into the bargaining unit and assigned to an existing bargaining unit classification and pay grade with a current salary:
 - (a) exceeding the maximum salary of the new pay grade will be held over-range;
 - (b) below the maximum salary of the new pay grade will be maintained between pay periods until the Employee's next salary increase. The new salary will then be at a pay period in the grade that ensures a one-increment increase. The maximum salary of the pay grade will not be exceeded; or
 - (c) below the minimum salary of the new pay grade will be moved to the minimum of the pay grade of the assigned classification.
10. Where there is no appropriate existing classification and/or pay grade for an Employee that is transitioned into the bargaining unit, the Employee will be maintained within their current pay range until a new classification and pay grade has been negotiated. Should the Parties not agree to the new classifications and pay grades it shall be determined at the next round of collective bargaining. If still not resolved the matter will be referred to binding arbitration at the conclusion of bargaining.
11. The process established by this Letter of Understanding is the sole mechanism to resolve disputes related to the Joint Employer-Union Exclusions Review except that any complaint alleging the violation of any of the duties and obligations stipulated under this Letter of Understanding may be grieved as a policy grievance at Level 2 pursuant to Clause 31.6 of the Collective Agreement.

12. Subject to Clause 13, nothing in this Letter of Understanding amends, abrogates or otherwise modifies any part of Article 9 or Article 31 of the Collective Agreement.

WHEREAS it is recognized that some Employees may be affected by having their current positions assigned to a Classification with a lower payband; and

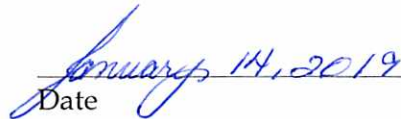

WHEREAS the Employer recognizes there may be a financial impact to Employees whose positions have moved to a lower payband; and

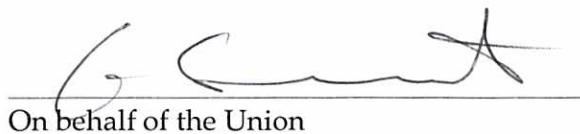

THEREFORE, the Parties agree, in order to minimize the impact for Employees whose positions are placed in a lower payband, the following process will be used for implementation of Red Circling.

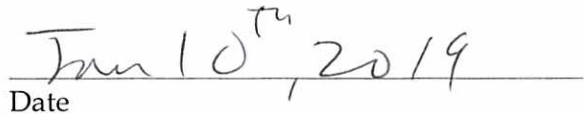

1. The positions affected by the Classification Review will be moved to the new payband upon the implementation date of the Review.

3. Employees whose positions have been moved into a lower payband, will be placed on the step in the lower payband closest to their current rate of pay which does not provide an increase to their current rate of pay.
4. Employees who have been moved to a lower payband will continue to receive increments, where applicable. The rate of pay for Employees who are placed in a lower payband will be red-circled. Employee's rates of pay will remain the same until the rate of pay on the lower pay band is equivalent to or greater than their rate of pay.
5. Employees who are "red circled" shall receive any negotiated increase on the wage grid as a lump sum payment, equal to the negotiated amount as a percentage of the employee's annual salary. Lump sum payments will be made twice per year in July and January for hours worked in the previous six (6) months. An Employee who leaves the employment of the Employer shall be entitled to the lump sum payment on a pro rata basis.
6. The provisions of this Letter of Understanding shall end for an Employee under the following conditions:

- (a) When the Employee ceases to be an Employee;
 - (b) When the Employee applies for and is appointed, promoted, or transferred to a different classification;
 - (c) Upon successful Appeal of the decision of the placement of the Employee's position under Article 9;
 - (d) When the current Basic Rate of Pay of the Employee's new Classification meets or exceeds the Employee's current Basic Rate of Pay.
