**Candidate for Leduc City Council**

1. Yes and yes.
2. Yes.
3. Yes.
4. No, we must look at alternative forms of revenue through municipal corporations, and growing our tax base through economic diversification like the development of Aerotropolis/"Airport City".
5. Yes, already incorporated into City of Leduc Facilities.
6. Yes to reducing transit fees. However, elimination or reduction of any sort of user fees would have to be paired with alternative forms of revenue as per answer to #4.
