BARGAINING UPDATE

JANUARY 5, 2022

TOWN OF BONNYVILLE

LOCAL: 118
CHAPTER: 002

ALL MEMBERS

Please respond to your bargaining survey by Jan. 21, 2022

As your negotiating team prepares for the upcoming round of bargaining with the Town of Bonnyville, we need to know and understand the issues that are important to you. As we will focus on the concerns you identify through your responses to this survey, it is vital that we get your feedback.

Your responses to the survey questions will give us the information we need to engage the Town of Bonnyville at the bargaining table and negotiate the fair collective agreement you deserve. Your responses are for the use of your bargaining committee only and will be kept confidential. None of your individual concerns will be shared with your employer.

The survey can be accessed here. Please respond by Jan. 21, 2022.

Remember, although **your current collective agreement** expired on Dec. 31, 2021, it remains in full force and effect while your negotiating team bargains a new agreement. If you are experiencing any problems at work or feel the employer is not upholding the terms of your collective agreement, please contact AUPE's Member Resource Centre at 1-800-232-7284 and ask to be put in touch with your Membership Services Officer.

If you have any questions about bargaining, please contact a member of your negotiating team.
