

BARGAINING UPDATE

GOOD SAMARITAN SOCIETY GROUP HOMES LOCAL 042 CHAPTER 007 - ALL STAFF

Employer's hiring woes causing bargaining delays

Your negotiating team eager to get back to the table

It has been some time since we have been at the bargaining table. This is largely because many of the Good Samaritan Society's Labour Relations/ Human Resources team left their employ, including those who were assigned to negotiate.

We were informed in the middle of February that they had hired a new negotiator who would start February 28th. We were subsequently advised that the new negotiator needed until early April to complete his onboarding which included bargaining at both Good Samaritan Society (GSS) tables.

We will continue to press the employer to return to the bargaining table so that we can address the priorities you've identified.

Your current collective agreement remains in effect. If you feel it's not being followed, or if you're having problems at work, please talk to a

Union Steward or reach out to AUPE's Members' Resource Centre at 1-800-232-7284 and they will put you in touch with your Membership Services Officer.

Please contact a member of your negotiating team if you have any questions about this bargaining update.
