

BARGAINING UPDATE

GOOD SAMARITAN SOCIETY LOCAL 042 CHAPTERS 001 - 006, 008 - 012 ALL STAFF

Employer is foot-dragging Negotiating team wants to get back to the table

Many of the Good Samaritan Society's Labour Relations/Human Resources team left their employ, including those assigned to negotiate, which has caused a significant delay in our ability to bargain.

We were informed mid-February that they had hired a new negotiator who would start at the end of that month. More recently, we were informed the new negotiator needed until early April to complete his onboarding which includes preparing bargaining at both Good Samaritan Society (GSS) tables.

We will continue to press the employer to return to the bargaining table.

Remember that your current collective agreement remains in effect. If you feel it's not being followed, or if you're having problems at work, please talk to a Union Steward or reach out to AUPE's Members' Resource Centre at 1-800-232-7284 and they will put you in touch with your Membership Services Officer.

If you have any questions or feedback about this bargaining update, please contact a member of your negotiating team.
