

BARGAINING UPDATE

CBI HOME HEALTH LOCAL 047 CHAPTER 008 – HCAs and LPNs

Let's Come Together on July 28

Join your bargaining committee and fellow workers for an important meeting

As we've shared in previous updates, bargaining has progressed significantly over the past few months. There were some wins in the non-monetary negotiations and a very disappointing monetary offer from the employer.

Your bargaining team is committed to fighting for better working conditions for all CBI Home Health workers and need your support. The team would like to share

important updates and get your valued input on how to move forward during the next membership meeting.

Please join us for our virtual meeting on July 28 at 7:00 p.m. Meeting link and details are below. As always, feel free to reach out to your team with any questions, comments, or concerns.
