IN THE FORT SASKATCHEWAN AREA

We know you're exhausted.

We know you're burned out.

We know it's been a tough couple of years.

Now it's time to turn to each other for support and fun.

Please attend the Fort Saskatchewan Area Council AGM and see what we can do to help each other and create some good memories. Area Councils are groups of union volunteers who organize and run family-oriented union events throughout the year.
