

BARGAINING UPDATE

SPECIAL AREAS BOARD LOCAL 118 CHAPTER 020 - ALL CERTIFIED STAFF

Copies of new contract delayed by employer Agreement will be provided as soon as possible

Your new collective-bargaining agreement is still being reviewed by the employer, but copies will be available as soon as the employer has finished.

After ratification, the union and the employer both review the document to ensure all the changes from the previous contract have been included. AUPE has finished that process, but the employer is still working on it even though it has had the contract since Sept. 14.

We will make printed copies available as soon as possible, but we cannot proceed until the employer has finished its review.

If you have questions, please contact a member of your negotiating team.
