

LOCAL 048 CHAPTER 033

EVANSTON GRAND VILLAGE – NURSING CARE & SUPPORT STAFF

IT'S TIME TO SHOW OUR STRENGTH

We've been trying to negotiate a fair contract with our employer, Golden Life Evanston Grand Village, for three years.

We provide care round the clock for residents we love.

We've made real sacrifices to our own health and families during 2.5 years of the COVID-19 pandemic.

We've had enough of the employer's delays.

We've had enough of being paid below industry standards.

Join this rally show to the employer that we are **united, we are **determined** and we are **strong**. If you are working, please join on your breaks, not during your work hours.**

Tuesday, Nov. 8

2:00 - 3:00 p.m.

Evanston Grand Village

40 Evanston Way N.W.,

Calgary

If you have questions, please contact a member of your negotiating team.
