Re: Employment Security

The Parties share an interest in ensuring quality services for the University of Lethbridge ("University") community. The University will provide Employment Security for all Continuing and Recurring Term Bargaining Unit Employees who deliver and support those services.

The University will not engage the provisions of Article 31 Layoff and Recall for Continuing and Recurring Term Employees and be replaced by the provisions contained below.

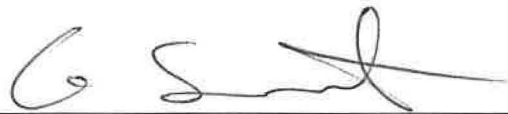

Where the Board determines that a reduction in the workforce is required:

2. To achieve the preceding:
 - (i) adjustments in the workforce may occur through attrition and redeployment;
 - (ii) all retention options will be explored;
 - (iii) Employees will "remain whole", and where an Employee is faced with an involuntary reduction to pay or position status (Full-time or Part-time) any shortfalls will be remedied;
 - (iv) the Board shall provide Employment Security through supernumerary employment while reviewing all retention options; and
 - (v) supernumerary employment is intended as a temporary measure until redeployment to a Continuing or Recurring Position at the same status is achieved.

The commitment shall have effect on the date of ratification of the collective agreement and shall remain in effect until March 31, 2023. The Union agrees that the University may administer the collective agreement as set out herein until then.
