# Bargaining continues, but needs to speed up

Your negotiating team met with the employer on March 1 and 2 to continue bargaining.

We have met seven times now, and made decent progress on several issues, but bargaining is still moving too slowly.

As a result, your team has asked the employer to have their monetary proposals ready for our next meetings in April.

Please share this and other bargaining updates with your coworkers. Make sure you get updates and more union news in your email: sign up at [www.aupe.org/update-info](http://www.aupe.org/update-info)

Contact a member of your negotiating team if you have any questions.
