Just a reminder: your existing collective agreement is still in place. If you believe your employer is not following the agreement, or if you encounter any workplace issues, don't hesitate to reach out. You can speak with a Union Steward or contact AUPE's Members' Resource Centre at 1-800-232-7284 and request to connect with your Membership Services Officer.

Please contact a member of your negotiating team if you have any questions.

Survey closes on May 8, 2024, at 11:45pm.  
Please complete the survey by this deadline.

Your negotiating team is gearing up to bargain with Capital Care. We need your opinion!

Share your priorities with us so we can develop bargaining proposals that address the most important workplace issues for you.

Collective agreements shape the terms of your employment, covering aspects like wages, health benefits, paid vacation, seniority, and more. The survey invites you to share your needs and desires.

Survey responses are anonymous, and individual responses will never be disclosed to the employer.
