

BARGAINING UPDATE

COVENANT HEALTH LOCAL 040 – GENERAL SUPPORT SERVICES

Covenant Health GSS: bargaining continues

Your negotiating team met with Covenant Health on June 10 and 11.

We had some constructive conversations, mostly on non-monetary issues.

The employer shared their counterproposals with us, and we shared our counterproposals too. Our conversations were good, but we ultimately did not make much progress.

We have not yet scheduled our next bargaining meetings, but your team is determined to fight for the wages, benefits, job security, and working conditions we deserve.

Keep wearing red at work to show your solidarity! Email photos of you and your coworkers wearing red to photos@aupe.org to share on AUPE's social media.

Finally, be on the lookout for union events throughout the summer. There will be many opportunities to have some fun and show our union pride.

Please contact a member of your negotiating team if you have any questions.
