## CAPITALCARE LOCAL 049 – NURSING CARE

### Bargaining update for Local 049, CapitalCare Nursing Care

Your Bargaining team met with CapitalCare on June 4 and 6 to continue bargaining for a fair deal.

Our discussions with the employer were productive and respectful. We were able to sign off on Article 4 and a LOU.

Your bargaining team is requesting bargaining dates in the summer to continue moving forward. Please stay tuned for future dates.

Continue wearing red to support your bargaining committee.

For more information or if you have questions about this bargaining update, please contact a member of your negotiating team.
