

# BARGAINING UPDATE

## ARAMARK HOLDSOME PLACE LOCAL 047 CHAPTER 065 - GENERAL SUPPORT SERVICES

### Our bargaining survey results are here

Your negotiating team thanks you for taking our bargaining survey. Your input is an essential part of preparing for negotiations. We are ready to fight for your priorities and the improvements you want to see in our new collective agreement.

There are also quite a few members who have agreed to become worksite contacts. Thank you! These members will play a critical role in keeping all of us informed and engaged throughout negotiations.

Your survey responses are clear – higher wages, better benefits, addressing workload, Health and Safety and workplace culture issues will be what we focus on in bargaining.

See the full report of survey results on our online bargaining update by scanning this QR code with your phone camera.

Your negotiating team will now use your responses to write our proposals. We will then exchange these proposals with our employer when bargaining begins.

Thank you again for taking our survey and showing your solidarity. Please reach out to a member of your negotiating team with any questions or concerns.
